

General Product Safety Statement

Regulation (EU) 2023/988 known as EU General Product Safety Regulation

We are pleased to confirm that Nord-Lock is fully compliant with the latest edition of the EU Regulation on General Product Safety Regulation (GPSR), (EU) 2023/988. As part of our commitment to delivering high-quality and reliable bolting solutions, we ensure that all our products meet the latest safety standards and requirements outlined in EU legislation.

More information about the regulation can be found at [Regulation - 2023/988 - EN - EUR-Lex](#)
